ABOUT ME

My name is Rachel and I have a passion for the web design and development field. I help build and create amazing websites at work and in my spare time. If I am not creating or learning about the web field I am usually trying a new workout class, reading a book, or hanging out with family and friends. Want to work together? I'd love to hear from you.

WORK HISTORY

SEO Front End Developer

Outerbox | Akron, Ohio | Aug 2018 - April 2019
